Sustainable Design

About WinnCompanies

WinnCompanies develops and manages high-end residential multifamily communities, each with its own unique aesthetic and brand, paired with sustainable features that mitigate environmental impact.

The luxury boutique communities we curate and manage blend the existing character and culture of the surrounding community into its design, upscale finishes, and unique amenities. Find your new modern apartment home with WinnCompanies.

Enjoy an elevated living experience

Learn more about life at a WinnCompanies-managed community, featuring best-in-class resident services, upscale amenities and environmentally conscientious design features:

Quarrystone at Overlook Ridge | Malden, MA

This upscale community, seven miles from Boston, features condo-quality design and premium amenities, including a heated outdoor swimming pool with a sun deck, cabanas, and grilling stations; a dog park; a state-of-the-art fitness center; gathering lounges; work-from-home spaces; a media room; and a dog spa.

The Apartments at Cold Brook Crossing | Sudbury, MA

Within a 40-acre wooded setting and conveniently located near historic landmarks, high-end dining and shopping, this community pairs modern design features with a natural aesthetic. The stunning resident lounge overlooks a patio with firepits, a state-of-the-art fitness center, walking trails and community gardens.

The Meridian | San Rafael, CA

Nestled in upscale Marin County, The Meridian offers stunning vistas of San Rafael Creek from private balconies and patios, barbecues, covered parking, Amazon Hub lockers, a fitness center, a private dock, a picnic area, and easy access to restaurants and freeways.
