About Ariston Group, LLC

Jon Guven, Principal and Managing Member, Ariston Group, LLC

Born in Istanbul, Turkey, Mr. Guven and his family migrated to the United States when Jon was four years old. Shortly after coming to America, Mr. Guven's family opened Guven's Fine Jewelry in Atlanta, GA (www.guvenfinejewelry.com). To this day Mr. Guven continues to be involved in the family business in addition to his interests in commercial and residential properties in Atlanta and parts of the Southeast.

Mr. Guven and a local partner acquired the land to become Ariston in 2016. Over the past several years Ariston Group has partnered with several Atlanta-based firms to design the project, secure entitlements/permits and to execute the project.

RaCo Real Estate Advisors, LLC (racoadvisors.com), is the acting Owner's Representative and is providing overall development services.

RangeWater Real Estate (formerly Pollack Shores), (LiveRangeWater.com), is developing, leasing and managing the multi-family component.

Peachtree Hotel Group (peachtreehotelgroup.com), is developing and operating the Hotel component.

Stream Realty Partners (streamrealtypartners.com), is leasing the retail component on behalf of Ariston Group.

Phillips Partnership (phillipspart.com), is the master project architect.

Ariston Group intends to maintain long-term ownership and management of the property post development. "We have a great interest in creating something very special for this community which has been home to me and my family for many years. In order to ensure Ariston stays a special place, we want to continue to own and manage the property which we drive by each and every day, said Guven."
